Last name: Gomolka

Organization:

Title:

Comments: Ruby Oil and Gas

Public lands belong to "the people" for the non-destructive use of enjoying nature, finding peace. The lands were NEVER INTENDED TO BE SOLD OUT TO BE PERMANENTLY DESTROYED BY INDUSTRY!!! The government has NO RIGHT to destroy the land of the people of this country...ESPECIALLY TO LINE THEIR POCKETS WITH BLOOD MONEY . What is happening to our "great nation"? It is being destroyed by power, ignorance, and greed.
