Title:

Comments: Ruby Oil and Gas

To whom it may concern:

I am commenting again on the proposed lease of 54,000 acres in the Ruby Mountains for oil and gas. I am adamantly OPPOSED to this proposed lease due to the extreme detrimental effects on wildlife and the ecosystem which would result.

PLEASE DO NOT ALLOW THIS LEASE THAT WOULD COMPROMISE THE WILD LANDS AND WILDLIFE IN THE RUBY MOUNTAINS FOR OIL AND GAS PROFITS.

Thank you for your consideration of this request to protect wild lands and wildlife.

Sincerely,

Chris Dildine, Ph.D.  
Loveland, CO
