First name: Nick

Last name: Noyes

Organization:

Title:

Comments: Ruby Oil and Gas

Of course you should not be opening these lands for oil and gas leasing!

Short term greed will pay off very little compared to saving these lands for the enjoyment of future generations.

History will judge us very harshly if we succumb to the hopefully short lived and short minded policies coming out of Washington.

Our National Treasures should be protected at all costs.

Sincerely, Nick Noyes
