

Data Submitted (UTC 11): 4/23/2018 10:33:58 PM

First name: Randy

Last name: Upton

Organization: Las Vegas Fly Fishing Club

Title: President

Comments: As a conservation organization in the state of Nevada, our membership objects to proceeding with any leases being granted on the east slope of the Ruby Mountains.

This drainage feeds directly in the marsh and the risk of pollutants exceeds our measure of good conservation.
