Comments: Ruby Oil and Gas

I would like to oppose the opening of lands in the Ruby Mountains for oil and gas leasing.

I join several fishermen in August each year for a fishing trip to Elko and the Ruby Marshes.

We have enjoyed the beauty of the Ruby Mountain Range every year along with hundreds of other fishermen.

These beautiful mountains will be ruined and will no longer be the wilderness area that we enjoy every year.

We ask that this leasing be denied.

Please contact us if I can provide additional information.
