Comments: To whom it may concern,

Our family is now in its 5th generation in Tincup.

The last decade has really seen a tremendous growth in out of control camping, fires, ATV trails and human waste. Disbursed camping in the Tincup / Rainbow area has become a true hazard to our Towns. There is total disrespect for pristine meadows and roadless areas.

The no camping ban from last summer was the perfect solution. I personally dismantled 15 fire rings that had sprung up over the last couple of years. I also picked up and packed out quite a bit of trash and waste.

Please immortalize the camping ban. On carelessness would ruin our Town.
