Comments: I am a avid ATV rider and camper. I am an avid ATV rider and camper. I enjoyed dispersed camping in different parts of the state and do not believe that I should be restricted to only campgrounds. This is not a good experience of real camping. As a taxpayer I would like to see more trails made for ATV users. I would also like to see more dispersed camping in various areas. We lost some areas up around Ti Cup and there was nothing wrong with those camping areas it was just a few people complained and got them shut down and no new areas were created to replace those. We had camped in that area for for five years and it was taken away with no good explanation of it.

Thank you for giving me an opportunity to voice my opinion .
