Comments: I made comments a couple days ago and want to add a few more about Wilderness.

1.I think all land labled Roadless Areas labeled 181 on the Roadless Areas map found on the USFS website https://www.fs.usda.gov/Internet/FSE_DOCUMENTS/fsbdev7_003084.pdf west of the Slate River Road and north of the Oh-be-joyful portion of the Raggeds Wilderness Area should be

recommend to Congress as appropriate for Wilderness because it is inaccessible for mechanized and motor vehciles, provides important wildflife habitat and has not been altered by humans.

- 2. All Roadless Areas labeled 200 on the Roadless Areas map found on the USFS website https://www.fs.usda.gov/Internet/FSE_DOCUMENTS/fsbdev7_003084.pdf west of State Highway 135, west of Whetstone Mountainh and east of the West Elk Wilderness should be recommend to Congress as appropriate for Wilderness because it is inaccessible for mechanized and motor vehciles, provides important wildflife habitat and has not been altered by humans.
- 3. I support the Recommendation for Evaluation of Polygon 146 as Three Individual Sub Polygons from Bob Goettge, Crested Butte South, Colorado dated 4 March 2018
