Comments: It is my opinion that the temporary dispersed camping plan implemented last summer worked exceptionally well in and around Tincup and should be made permanent. Even though camping opportunities were theoretically reduced, in reality there were always excellent camping spots available especially up Mirror Lake Road even on the busiest times of the summer. I find no downside in making the plan permanent and sincerely encourage you all to do so.

I would also hope that you find ways to enforce the plan. Without adequate enforcement, I fear that the plan could be implemented on paper but not in reality.

Thank you very much.
