First name: Jerry

Last name: Jacobs

Organization: Yellowstone Radio Club

Title:

Comments: Dear USFS

Please ensure that you have included alternatives for allowing USFS lands to be used for communication site purposes. We have previously requested, in writing, that you do this mainly for an inactive communications site located above Red Lodge, Mt. referred to as the Grizzly Peak Communications Site. Please reply that you have addressed this issue in the current plan revision for the Custer Gallatin National Forest. Thank you. Jerry Jacobs, Secretary, Yellowstone Radio Club, Billings, Mt
