First name: William (Nick)

Last name: Nichols

Organization: Bachelor Gulch Village Association

Title: Member

Comments: I'm on the board of the BGVA. I believe that this is a superb idea and I support it. The responses I've received from other Bachelor Gulch homeowners has been very positive. One of the other Board members expressed a concern about the number and type of bathroom facilities nearby. I just thought I'd mention it so that issue was appropriately addressed.
