Comments: I do not support Beaver Creek's proposed changes to McCoy Park. Opening access to skiers and snowboarders would ruin the one remaining area in White River National Forest under Beaver Creek's permit that is friendly to pedestrian use. Snowshoeing and XC-skiing across a ski run is not safe, especially at a place like Beaver Creek where so many ski completely out of control. In the interests of ensuring everyone can be accommodated in the National Forests, and feel welcomed and relaxed, I urge you to reject Beaver Creek's proposed changes to McCoy Park.
