Comments: As an owner of a second home in Beaver Creek. I am in full support of the expansion of the resort. With the growth of the entire state I feel it is important to grow the ski resorts in a respectful way of the wilderness around us. The proposal seems to be a fair way to keep the wilderness around it prestigious. My family uses this area all year round and we feel adding terrain would greatly help over skiing and use of the other areas on the mountain. We would encourage more to be open.

Kind regards.
