Comments: Hi
I am an alpine ski racer who has travelled from New Zealand to ski and train at Vail for 4 months a year for the last 3 years as part of SSCV
I love training at Golden Peak but believe the training would be improved a lot if the development is allowed to go ahead - more space and safety for all athletes, a longer training season and a dedicated lift so we can get in more skiing in the mornings before we attend school
As a result of our time in Vail and my love of skiing our family have become homeowners in Town
We all support Ski Club Vail's plan for Golden Peak
Thank you
