First name: Rodney

Last name: Morrill

Organization:

Title:

Comments: I moved into my new home on Cement Creek Road in July, 2013 and greatly enjoy all of the outdoor activities this wonderful valley has to offer, especially the unspoiled wilderness areas. As an owner of land that adjoins the Granit Basin area, I want to voice my support for:

- * Wilderness for Granite Basin
- * The Forest Service 2007 Wilderness recommendation
- * Primitive lands for current and future generations
- * Nature and solitude close to population centers
- * Economic benefits for local communities
- * Primitive recreation activities: Hiking, Hunting, Horseback, Cross Country Skiing

Respectfully,

Rod Morrill
