First name: Rick

Last name: Seymour

Organization:

Title:

Comments: To whom it may concern,

When you make your planning decisions please keep in your thoughts the protection of wildlife habitat and their needs for escape from man and machine. I have introduced sportsman,women a Catholic Nun from WI,WA,CA,MI,IN and CO....of course to the areas I know and cherish. These forests and animals are western Colorado's money source, please protect them as I know you will.
