GMUG Plan Revision Team

Dear Revision Team,

Please grant priority to at risk species and their habitats in revising the GMUG management plan.

I strongly support the Citizens' Wilderness Proposal. The Proposal would provide important management direction for essential places on the forest for at-risk species.

I encourage the GMUG Plan Revision Team to develop and adopt a management plan alternative that maximizes conservation for the wildlife that depend on these forests and their habitat.

Sincerely,

Mr. Martin Levisen
