Title: Off-road Trail Chairman

Comments: The membership of the Oklahoma Trailriders/Tulsa Trailriders, Established 1956, have enjoyed the off-road trails in the Gunnison area for decades. We support the efforts of the Gunnison Valley Ohv Alliance of Trailriders (GOATS) efforts to keep the public's lands open and maintained for future generations.

We support responsible management of these trails for multi use and strongly encourage a fee structure that will support maintenance of same.

The positive economic impact is important to numerous businesses in Colorado from in state and out of state users such as us.

I personally come to this twice each some to enjoy these trails with my family and have been doing this for over 40 years.
