Comments: Thank you for contacting the ADOT Southeast District regarding the environmental assessment of the proposed East Eagle/Mud Springs Fuels Project. ADOT is in full support of this project.

Please ensure that our maintenance superintendent, Tyrel Cranford (tcranford@azdot.gov, 928-432-4908), is notified of any project activities that would impact the US 191 roadway or ADOT Grey Peak maintenance camp.

Thank you for the opportunity to comment.
