Hello, my name is George Pugh. I reside in southern Michigan, but have been visiting the wnf for almost 20yrs.

We appreciate the allowance to ride from carbon hill to Monday creek&to the long ridge system.

Unfortunately there are no legal singletrack trails for the dirtbikes(which is why we generally travel the extra distance to vv. Hatfield mccoys) the Maumee forest in Swanton, oh just implemented the first legal singletrack in Ohio. don't know if this is on your radar. I'm assuming the opposite is in mind(widening the system for the sxs market) thanks for your commitment to the trail system&your consideration
