Comments: The Umatilla National Forest is adjacent to several Oregon Highways that are under the jurisdiction of the Oregon Department of Transportation (ODOT). Any use or impacts to state highway right of way is subject to state laws administered by ODOT which require the user to obtain access or miscellaneous permits from the ODOT District Office with jurisdiction over that transportation facility.

If this project impacts the state highway and/or state highway right of way of OR207 or US395 please contact ODOT District 12 Permit Specialist Tom Lapp at 541-278-3450 or thomas.lapp@odot.state.or.us. to obtain the proper permits.

If this project impacts the state highway and/or state highway right of way of OR244 or OR204 please contact ODOT District 13 Permit Specialist Lynn Elliott at 541-963-8407 or lynn.a.elliott@odot.state.or.us to obtain the proper permits.

Thank you for this opportunity to comment.

Respectfully,

Lisa Hayes
District 13 Operations Coordinator
Region 5 Risk Coordinator
