Comments: Reject Ruby Mountains Oil and Gas Leasing

May 23, 2018

Jenna Padilla, U.S. Forest Service

Dear U.S. Forest Service,

PLEASE DO NOT grant the U.S. Bureau of Land Management's request to open up the Ruby Mountains of the Humboldt-Toiyabe National Forest to oil and gas leasing.

The Ruby Mountains are crucial for our environment and wildlife, and leasing them out is an absolutely destructive and devastatingly wrong idea.

Thank you,
