Comments: Robinson Integrated Resource Project

I am writing to express my support for the Robinson Integrated Resource Project. In particular the following initiatives:

- A year-round ADA accessible hut in the Chittenden Brook area
- Singletrack multi-use MTB trails between Pittsfield and Rochester
- Additional backcountry ski/board zones in the Chittenden Brook area
- Improved parking at the Chittenden Brook trailhead

I rented a house in the Granville area specifically for it's proximity to the Chittenden Brook / Brandon Gap area. I lived and worked remotely for the winter utilizing the RASTA trails 4-5 days per week.

You have a tremendous asset to attract people to this area. While I'd love to keep it quiet and to myself, the overall sport and utilization of land is better served by expansion and engagement of new people. Let's continue to expand the well-earned existing footprint for all.

Best,

Matthew Smith
