Comments:

I strongly support the additional backcountry ski/board zones in the Chittenden Brook area and the improved parking at the Chittenden Brook trailhead. The Vermont Hut Association's plan to build their first ADA accessible hut in the Chittenden Brook area will strengthen the Rochester/Randolph Area Sports Trail Alliance (RASTA) network.

I strongly support building and enhancing multi-use singletrack mountain bike trails between Pittsfield and Rochester so they can become part of the Velomont Trail providing for an exceptional end-to-end biking experience linking existing Vermont Mountain Biking Association chapters across the state.
