Comments: I would like to support the following consideration in the Robinson Integrated Resources Project #48884.

Additional/improved recreational opportunities in the GMNF by supporting:

- A long distance MTB Trail between Rochester and Pittsfield (to be part of the phase 1 Velomont Trail connecting Stowe to Killington).
- A Backcountry Ski/Board Zones adjacent to Brandon Gap in the Chittenden Brook Bowl off of Roundtop and Corporation Peaks.
- Improved Chittenden Brook Trailhead parking.
- A year round backcountry hut (to be managed by the Vermont Huts Association) at Chittenden Brook.

Thank you for considering my comments.
