Comments: I am interested in submitting comments on the Robinson Integrated Resource Project. I enjoy our national forest and as a Vermonter love spending time in the Green Mountain National Forest. I support the creation of a year-round ADA accessible hut in the Chittenden Brook area, Singletrack multi-use MTB trails between Pittsfield and Rochester,additional backcountry ski/board zones in the Chittenden Brook area, and improved parking at the Chittenden Brook trailhead! Thanks.
