

Data Submitted (UTC 11): 6/14/2018 4:00:00 AM

First name: Harland

Last name: McKirryher

Organization:

Title:

Comments: I am totally opposed to any organized recreation supported by the Robinson Integrated Resource Project of the size and magnitude of what is occurring now within Rte 73 Brandon Gap Glade skiing.

Bringing those numbers of people into an area, only destroys the environment and the quality of the experience.
