Comments: i abhor production and desruction which are the same ting in this site. there is no other place on earth like this. it is unique. profiteers always want new areas to destroy. we have an obligation toour children to protect and preserve. that is the watchword for this site. protection and preservation as it stands now. not using it up. not destroying it. i want the wildlife left alone to live there in peace. i want no logging. i want no hunting. i want no trapping.i want no new roads. i want no profiteers i want this land protected and preseved.i want no chemicals. i want no mining. i want no drilling. i am sick to death a the way thiws present govt is ruining and destroying so much of america so that no life can be sustained on earth anymore. we need to save and protect.
