Comments: I have lived in this County for 54 of my 61 years and all have seen over the past 20 years is more Public being closed !! I have been snowmobiling the Hwy 108, Sonora pass, Eagle Meadow area for over 30 years. It has been my escape every weekend, sometimes more. My wife enjoy snowmobiling out to our remote cabin and snowmobiling with Family and friends as we always do. I would be very sad to see more multi use lands taken for a very selective group. Seems like an all to common occurrence. It's my opinion this is what wilderness areas are for. I would like to show support for alternative #2. and NO other !!
