Comments: RE: GMUG Forest Plan Revision

Hi David,

Thank you for taking the time to comment and participate in your public lands management! The team will consider this as we revise the evaluation report. Stay tuned for next steps in the planning process, if you're still interested.

Subject: GMUG Forest Plan Revision

I believe that the current GMUG current winter travel plan is working fine. There are many small Colorado communities that depend on access to forests year round. I feel that additional wilderness areas will

economically impact those communities in a negative way.

Thank you,

David Logan
