First name: Mahogany

Last name: Aulenbach

Organization: CAR72993390

Title:

Comments: I have hiked, camped and explored this beautiful area of our Willamette National Forest over the past 32 years.

There has been so much logging in the area around the lakes and forests. I was hoping the logging projects were finished, so the land can heal without more chainsawing and other mechanical intervention.

Please know that I am opposed to using logging to "fix" the forest ecosystem.

Sincerely,

Mahogany Aulenbach
