Comments: This year alone my husband and I have paid a combined amount over \$300.00 in fees to out of state parks to ride our UTV on trails. We've paid camping fees to out of state parks to ride trails. All this money could have bee yours to use for the parks needs. But we a forbidden to ride in your park because oue unit is too wide. We want our money to stay local. Please revise the UTV width to at least 65 inches. Thank you.
