Comments: To whom it may concern,

I bought a cabin in Sky High Ranch because I have access to the back country on snow machines. I am against any proposal to limit the access from our neighborhood. Many of us use the region north and east from Sky High Ranch to Bear valley village. Limiting our access would ruin long time family tradition of riding our snowmobiles in these areas. This would also hurt my property value since most of the wintertime cabin owners have snowmobiles and use them outside of Sky High Ranch. Thank you. Leon Atwater
