Comments: My brother, myself, and my father (23 years of service to Stanislaus NF as a game warden) have been snowmobiling in the 108 corridor as long as I've been alive. We go everywhere an ATV would go in the summer, including the Herring Creek loop, Eagle Meadows all the way to East Flange, and Hull Creek area just to name a few. I want my children to be able to enjoy snowmobiling these areas as I have done. Please don't take this away from us, riding over the top of snow does not do nearly the damage as hiking, dirt biking, or horseback riding does to bare dirt. Please leave our forests completely open for ALL who recreate in it!
