First name: Mary

Last name: Weeda

Organization:

Title:

Comments: We visit the Cooper Landing area regularly and are familiar with some of the Chugach Forest areas.

We would like to urge the Forest Service to keep a strong management of the Chugach to protect that area.

Language on snowmachines in the WSA is good.

Develop a WSA stewardship in order to maintain the area's wilderness

Language on early detection of invasive species is good.

Minimum Requirement Analysis is improved but needs strengthening.
