Comments: Hello,

My wife and I are avid snowmobile riders and moved to the Hwy 4 corridor partly for the snowmobile access. Please keep the greatest number of acres open to OSV riding. Our vehicles have a negligible impact compared to summer OHV and on road vehicles use. Ample acres are already protected in Wilderness and non motorized recreationalists have immense areas just for them. Please take a balanced approach and continue to provide access for snowmobile riders.

Thank you,

Joe Harvey
