

Data Submitted (UTC 11): 10/9/2018 12:12:40 AM

First name: Travis

Last name: Emerald

Organization:

Title:

Comments: The National Forest is for the public to enjoy. To much has already been blocked from the public to use for recreation like snowmobiling. It is important to many people who love the outdoors and enjoy spending time out there. Please do not close further PUBLIC land off from public use !
