Comments: We snowmobile as much as the snow allows on both 108 and hey 4. It has been a family tradition for years! We love the pass, eagle meadows and the rest of the corridor To close our forest to snowmobiling should be a crime. We are outdoor people and that is why we live here. We respect our forest as most snowmobilers do. There are a few in every group that do not from autos to hikers. Go after the few-- not the majority. It's public land and for ALL To enjoy.
