

Data Submitted (UTC 11): 10/9/2018 9:54:34 PM

First name: Brook Stephan

Last name: Schoenfield

Organization:

Title:

Comments: I support the proposal as written. though, having skied for years in the Poison Canyon area (and lobbied at various FS meetings for this proposal) the proposal must be enforced through signage and patrol (could be citizen groups like the one I was a member of)

I have moved away from the area. However, I love skiing in that area and come back regularly to ski with my many friends who still reside along the Hwy 4 corridor.
