First name: Bill

Last name: Manke

Organization:

Title:

Comments: I am a snowmobiler. I have been enjoying this sport since 1974. I started out with my mom and dad. Now I enjoy the sport with my wife,kids and grandkids. Any time areas are shut down just makes all the other areas more congested which create more conflict. Please consider leaving there area the same or possibly opening up more area. Years ago a compromise was done when the Round Valley Sno park was designated non motorized. Thank you Bill
