Comments: I'm 61 years old and have been a responsible off reader most of my life. I saddens me to see so much taken away from us. I really do not know what to say. I have never seen any of these actions go the way of the off roader. If your not a bird watcher you don't count. The ideological make up, of the people making these decisions makes everything a forgone conclusion. The government won't be happy until all of us sheep are in the pen doing as we are told. Please prove me wrong.
