Title:

Comments: Hello,

My name is Joseph R. Moran and I would like you to go with option B. I'm a life-long Alaskan, and life-long snowmachiner. My family has had a cabin in the Nancy Lake Recreational area for over 30 years. We like riding in the Nancy Lake / Big lake area. We have also been recently riding in the Petersville, Cantwell and Eureka areas when snow level is low. Would like to do more riding south of Anchorage however it is difficult finding areas that allow snowmachines. It would be a shame if access for snowmachanies were to continue to dwindle. Please choose option B.

Thanks,
