Comments: Hello, my name is Owen Murphy. My father, James Murphy, built a cabin off of Fodder Creek Road near Hiawassee back in 1962. I grew up spending summers there and now I take my boys up there several times a year as well as bring my Dad up, who is now 81. We have a deep love for the woods, creeks and rivers in the Chattahoochie National Forest and have spent much time in the Brasstown, Mark Trail and Tray Mountain wilderness areas hiking and fishing. I cannot imagine a shooting range in this location and so close to these wilderness areas and the national AT trail. I think it would be a disservice to the many outdoorsman who love, and have grown up in, this area. I appreciate your consideration of my objection and I would respectfully ask that this project be re-thought and re-located.
