My name is BenPeltier.

First off, thank you for your efforts and willingness to include all user groups in the Chugach Forest Service Revision Plan.

I currently live in Wasilla and have been living in Alaska for 35 years. I have enjoyed riding snowmachines in the Chugach for 17 years and I typically go 14 times a year. As a motorized user I oppose losing any right to motorized access of these public lands. I large majority of the Chugach is already restricted to non-motorized use and what's left shall remain intact, if not expanded, for future generations.

The areas I access the forest in are as follows: Johnson Pass,, Whittier,, Tunragain,, Skookum,, Lost Lake,

The rights of motorized user group have diminished since 2002 when The Forest service initiated the Land Management plan and it must stop

Please consider leaving the current access is place and working toward opening more areas for future generation.

Thank you,

Ben
