Comments: Hello, my name is Daniel Clark.

Thank you for your efforts and willingness to include all user groups in the Chugach Forest Service Revision Plan.

I currently live in North Pole, Alaska, and have been living in Alaska for 27 years. I have enjoyed riding snowmachines in the Chugach for 15 years, and I typically go 2 times a year.

I access the back-country both as a motorized user and a non-motorized user as I spitboard as well as snowmachine and I respect the rights of both groups of people.

As a motorized user, I oppose losing any right to motorized access of these public lands. A large majority of the Chugach is already restricted to non-motorized use, and what's left shall remain intact, if not expanded, for future generations.

Please consider leaving the current access in place and work toward opening more areas for future generations.

Thanks and regards,

Daniel
