Comments: I currently live in Anchorage, and have been living in Alaska for 33 years. I have enjoyed riding snowmachines in the Chugach for 10 years, and I typically go 15 plus times a year. I am also an avid skier and have enjoyed the sections of the Chugach for non motorized use. As a motorized user, I oppose losing any rights to motorized access of these public lands. A large majority of the Chugach is already restricted to non-motorized use, and what's left shall remain intact, if not expanded, for future generations.

The areas I access the forest are: Johnson Pass, Whittier, Turnagain, Skookum, Lost Lake, Summit Lake. The rights of motorized user groups have diminished since 2002 when The National Forest Service initiated the Forest Land Management Plan and it must stop.

Please consider leaving the current access in place and work toward opening more areas for future generations.

Thank you,
Brandon
