Comments: I have been enjoying the Chugach National Forest since I bought my first snowmobile in 2005. I currently participate on the boards of the Anchorage Snowmobile Club and the Curry Ridge Riders. I am the Vice President of the Anchorage Snowmobile Club. Our clubs promote access to public lands and safe riding habits.

I like riding at Lost Lake, Turnagain Pass, Placer River and Spencer Glacier in the Chugach. I feel that plan B is the best plan for the continued access for motorized vehicles.
