First name: Kelsey

Last name: Opstad

Organization:

Title:

Comments: I am writing as a born and raised Alaskan, avid backcountry skier, snowmachiner, and commercial fisherman. I am quite happy with the way things currently are. Alaska's beauty is represented not only The observation of her feautres, but more importantly through access to the land. I am proud to live in a state which provides such freedom to explore the backcountry. Please leave it alone.
