Comments:

First off, thank you for your efforts and willingness to include all user groups in the Chugach Forest Service Revision Plan.

I currently live in Eagle River, AK, and have been living in Alaska for 45 years. I have enjoyed riding snowmachines in the Chugach for over 30 years, and I typically go to the Chugach area 4-6 times a year. As a motorized user, I oppose losing any right to motorized access of these public lands. A large majority of the Chugach is already restricted to non-motorized use, and what's left shall remain intact, if not expanded, for future generations.

The areas I access the forest are: Johnson Pass, Turnagain, Skookum, Lost Lake, and the Moose Pass area.

The rights of motorized user groups have diminished since 2002 when The National Forest Service initiated the Forest Land Management Plan and it must stop.

Please consider leaving the current access in place and work toward opening more areas for future generations.

Thank you,

Kevin Laurin
