Comments: Hello,

Thank you for your efforts and willingness to include all user groups in the Chugach Forest Service Revision Plan.

I currently live in Anchorage, and have been living in Alaska for 12 years. I have enjoyed riding snowmachines in the Chugach for 8 years, and I typically go 10 times a year. As a motorized user, I oppose losing any right to motorized access of these public lands. A large majority of the Chugach is already restricted to non-motorized use, and what's left should remain intact, if not expanded, for future generations.

If it must be reduced though, my preferred option is Plan B.
